### EDUCATION

---

**École des Mines** - French 'Grande École' Elite Engineering School Nancy, France  
*MSc in Applied Mathematics and Decision Engineering (Formation Ingénieur Civil des Mines)* 2021 – 2024

- **Relevant coursework:** Deep learning, Algorithmics, Statistics, Economics, Accounting, Financial modeling and analysis, Game theory, Strategic analysis, Introduction to law
- First prize winner of the Entrepreneurship contest in the category "Advanced project" at the Forum-Est-Horizon 2022

**Lycée Marcelin Berthelot** - Classe Préparatoire aux Grandes Écoles PCSI/PC\* Saint-Maur-des-fossés, France  
*BSc in theoretical mathematics, physics and computer science* 2019 – 2021

- Preparation for the competitive entrance examinations to 'Grandes Ecoles' (the French highly selective institutions)

### PROFESSIONAL & LEADERSHIP EXPERIENCE

---

**Clipperton** – Tech focused Investment Bank Paris, France  
*Investment Banking Intern – Gap year internship* September 2023 – March 2024

- Support a Deep Learning platform fundraising and a Cloud Services platform minority interest throughout the entire process, from kick-off to closing (Prepare info memo, manage due diligence phase, model business plans)
- Manage target screening in buy-side processes and prospection phases (Prepare mapping and company profiles)
- Participate to buy-side and sell-side pitches (Public and transaction comparable, marketing support)

**Training You** – Leading platform preparing candidates for a career in M&A and Corporate Finance Paris, France  
*Business Developer Intern* July 2023 – September 2023

- Created and updated database of past M&A and PE transactions across a variety of sectors
- Led a study on "Women in M&A" to understand the lack of diversity in this field (Prepared a survey, conducted qualitative interviews with industry professionals, drafted a report shared with partners banks)

**Stager** – Startup Project at Grand Nancy Innovation Nancy, France  
*Co-founder* 2022 – 2023

- Managed the development of Stager: a platform that rely on an algorithm to automatically link event organizers with the providers they need
- Piloted the Go-to-market (GTM) strategy with the definition of the target market profiles, marketing plans and sales and distribution strategy
- Pitched the project to potential investors, partners and participated to entrepreneurship contest

**Mines Services** – Junior Enterprise Nancy, France  
*Vice President* 2022 – 2023

- Supervised the functioning of all departments and developed a centralized database enabling the sharing of information across different teams
- Piloted the organization of on-campus seminars with engineering and consulting firms for the student body (3 seminars with each 200 students attending)
- Increased the turnover by 20% in 6 months (€18k)

**Cheer'Up! ARTEM** – Nonprofit organization Nancy, France  
*President* 2022 – 2023

- Organized weekly visits to the hospital to help young adults with cancer to move beyond the disease
- Managed the organization of events to raise funds and awareness on cancer (race against cancer with 200 people, sale of roses, hair donation of more than 40 people)
- More than €1,500 raised in 1 year
